JAISMEEN

Aspiring Web Developer

PROFESSIONAL SUMMARY

Third-year Bachelor of Information Technology student at the Australian Institute of Higher Education (AIH), interested in pursuing a career in web development. I have foundational skills in HTML and CSS and have worked on university projects involving a personal website and AWS cloud computing. I am eager to build my technical knowledge and gain practical experience in the IT industry.

EDUCATION

Bachelor of Information Technology

Australian Institute of Higher Education (AIH) | Third-year student

TECHNICAL SKILLS

- HTML – Structuring content on web pages
- CSS – Styling and presenting web pages

UNIVERSITY PROJECTS

Personal Portfolio Website | HTML and CSS

- Worked on a personal portfolio website using HTML and CSS as part of university studies.
- Practised website structure and styling through the project.

AWS Cloud Computing Project | Amazon S3 and EC2

- Worked on a university cloud computing project using Amazon S3 and Amazon EC2.
- Gained introductory practical experience with AWS cloud services.

CAREER OBJECTIVE

To begin a career in web development, strengthen my front-end skills and gain experience contributing to real-world website projects.
